MARIAM **MANSOUR**

Beirut · 71767418

mariam111mansour@gmail.com · www.linkedin.com/in/mariam-mansour111

Self-teaching capabilities and eager learner with a passion toward working on projects and developing programs, websites and mobile applications. High standards and expectations can be achieved by working hard and identifying goals as well as cooperating with teammates. Improving and keeping up to date with the constant change in technology is a key characteristic of my abilities. Hopefully any experience will enrich my capabilities.
