## Career Objectives:

I aspire to become a pioneer in communication and visual arts, and innovate in this category in multiple fields like advertisement, branding, web&app design, and product design.

## Experience:

24/6/2019 - 24/7/2019

### . **UI/UX Designer academy, Eurisko Mobility**

I attended several classes given by the company, with a Final Project at the end.

12/9/2019 - 5/12/2019

### . **Member in the Green community, USEK**

I helped with advertising projects, and at recruiting new people.

11/12/2018 - 31/8/2019

### . **Empolyee at the Archive department, Byblos Bank**

I organized files and boxes to their right places.

## Education:

2018 - Present

### . **Major in Graphic Design, Holy Spirit University of Kaslik - Jounieh, Lebanon**

3.0/4 GPA

21/6/2019

### . **Cambridge English level 2 Certificate in ESOL International (advanced)**

## Skills:

- . Photoshop
- . Illustrator
- . InDesign
- . Figma
- . HTML
- . CSS
- . Communication skills in Arabic, French, and English

## Activities:

I delight in reading books related to art, design, philosophy and politics. I also enjoy playing and watching all kinds of sports, especially football, basketball and formula 1. Another outdoor activity I like is camping, so much so, that I used to be assistant captain in the Scouts Du Liban, Amchit.
