### Professional Experience

February 2020 - July 2023	Media Team Manager <i>American University of Science and Technology</i> <b>Management</b> of Radio and TV studios on Campus. <b>Editing, Sound Designing</b> and <b>Creating Content</b> for the university. <b>Live camera operation</b> of events (Graduations, Meetings and more...). My experience has taught me a lot of soft and hard skills from multiple computer programs ( <b>Adobe Photoshop, Premiere, After Effects, Illustrator and Sony ACID</b> ) to <b>videography</b> on Cannon and Sony cinematic and DSLR cameras.
May 2022 - Present	Videographer and Advertisement Content Creator <i>Freelance</i> Creating ads from A to Z. Writing, Directing, Videography and Editing with multiple happy clients.
January 2017 - Present	Music Composer <i>Freelance</i> Music composer for multiple genres and purposes. Created music for multiple indie videogames and starter artists.
August 2019 - December 2019	NGO Content Writer <i>Adam's Care</i> Content writing and research for a medical social media platform.

### Education

BA. in Communication Arts (Radio and Television) <i>American University Of Science and Technology, Achrafieh, Beirut, Lebanon   February 2020 - July 2023</i>  With a focus on film and content creation I have earnt a profession scholarship and graduated from the AUST with honors. Having a good foundation of experience in media prior to my enrolment, my time at the AUST added a lot to my knowledge and sharpened my skills under the umbrella of content creation. <b>Baccalaureate Degree in Economic Sciences</b> <i>Amjad High School, Choueifat - Beirut.   September 2016 - July 2019</i>  Being fortunate enough to be enrolled in one of Beirut's most prestigious schools, Amjad High School's economics program has given me a strong basis on the financial side of any business i walk into.
