SUMMARY

From an early age, I have been captivated by the transformative power of design to communicate ideas and evoke emotions. Throughout my education, I have honed my technical skills and cultivated a discerning eye for aesthetics. My experience spans academic projects and freelance work, which has allowed me to adeptly conceptualize and execute designs across various platforms and mediums.

SKILLS & ABILITIES

Technical Skills:

- Proficiency in graphic design software (e.g., Adobe Creative Suite: Photoshop, Illustrator, InDesign)
- Knowledge of typography, layout, and color theory
- Ability to create and manipulate digital images and illustrations
- Understanding of print and digital design principles
- Experience with UI/UX design and wire framing tools
- Familiarity with motion graphics software (e.g., After Effects)

Soft Skills:

- Creativity and artistic ability
- Attention to detail and strong visual aesthetics
- Strong communication and collaboration skills
- Time management and ability to meet deadlines
- Problem-solving and critical thinking skills
- Ability to work independently and take initiative
- Adaptability and willingness to learn new techniques and technologies

EDUCATION

2020 _ 2023

Bachelor of Graphic Design

Lebanese University, Beirut, Lebanon
