Beirut, Lebanon | +961 76 915378 | [LinkedIn](#) | Alcharif.omar0@gmail.com

Education

Bachelor of Arts: Graphic Design (CGPA: 2.6/4.0)
Lebanese International University

October 2016 – June 2023

Experience

Junior Graphic Designer at Maliks Contract
Mar - July 2023

- Assist customers with their design needs, discuss their ideas, and provide suggestions for custom stationery and printing projects.
- Create custom designs for various stationery items, including business cards, letterheads, invitations, flyers, and more, using software like Adobe Illustrator or InDesign.
- Ensure that customer-provided artwork is print-ready, making necessary adjustments to colors, resolution, and file formats.
- Collaborate with the printing team to oversee the printing process, ensuring that the final output matches the design intent.

Graphic Designer at Mercy Corps Apprenticeship
May - July 2022

- Brainstorm and sketch ideas for character designs and graphic elements that align with the project's goals and requirements.
- Create and refine character illustrations, considering factors like personality, style, and usability in different applications.
- Work on various graphics design projects, such as posters, brochures, social media graphics, web elements, and more.
- Familiarize myself with industry-standard design software like Adobe Illustrator, Photoshop.
