Curriculum Vitae

About Me

I am a freelance graphic designer with a boundless passion for transforming ideas into captivating visual stories.

As a self-driven creative, I have cultivated a diverse skill set and a deep appreciation for the art of design.

Here is what sets me apart in the world of freelance graphic design:

Creative Versatility

- 4+ years of experience in branding, social media, print & digital design.
- Proven ability to adapt to various design challenges and deliver exceptional results.

Client-Centric Approach

- Collaborative and communicative, with a focus on meeting and exceeding client expectations.

Quality and Detail-Oriented

- Meticulous craftsmanship, with a keen eye for color, typography, and composition.

Efficient and Deadline-Driven

- Strong time management skills and dedication to meeting deadlines.

Communication and Collaboration

- Value open and transparent communication, comfortable collaborating with other professionals.
