## Junior Full Stack DEVELOPER

Zouk-Mosbeh, Lebanon | +96181486584 | Claramarina077@gmail.com |

github.com/claramarina12

### Objective

As a junior web developer, I am passionate about crafting clean and efficient code to bring creative and user-friendly websites to life. I am eager to contribute my skills in front-end and back-end development to a dynamic team, while continuously learning and growing in a collaborative environment.

### Skills & abilities

Bringing 6 years of experience in customer support, including leadership roles as a manager of cashiers and customer support, and as a sales manager specializing in outdoor and indoor furniture. Possess strong expertise in customer service, leadership, and management, with excellent persuasion, negotiation, and sales skills. Proficient in the selling process and effective sales techniques, with a proven ability to build strong relationships with customers and staff. Additionally, I am skilled in tutoring and have undergone Food Safety Level 1 & 2 training.
