EDUCATION

Bachelor of Computer Science

Lebanese American University
2022-2025

EXPERTISE

- **Data Structures:**
- Collections
- Single- and double-linked structures
- Stacks
- Queues
- Trees
- Heaps
- Graphs

ABOUT ME

I am a junior student pursuing a degree in Computer Science at the Lebanese American University, and I am honored to be recognized on the distinction list of the School of Arts and Sciences.

EDUCATION/ COURSES

○ Sep 2022- Dec 2022
Lebanese American University
Introduction to Object Oriented Programming

○ Jan 2023-May 2023
Lebanese American University
Objects and Data Abstraction

○ Jan 2023- May 2023
Lebanese American University
Computer Organization

PROGRAMMING LANGUAGES

Python
Java
C

EDUCATION/ COURSES

Sep 2023- Dec 2023
Lebanese American University
Algorithms and Data Structures

Sep 2023- Dec 2023
Lebanese American University
Operating Systems

Sep 2023- Dec 2023
Lebanese American University
Database Management Systems

HOBBIES

Photography

Travelling
