Languages

Arabic – Main Language

English – Excellent

French – Basic

Hobbies

- Reading
- Writing
- Hiking

Summary

I am an ambitious and diligent electrical engineering student with a passion for applying technical knowledge to real-world problems. With a solid academic background, I have developed strong analytical and problem-solving skills that allow me to approach challenges with a creative and logical mindset.

Skill Highlights

- Autocad
- Proteus
- C, C++, C#, Python
- SQL
- Project Management
- HTML, CSS, Java Script
- Matlab
- Assembly
- Networking protocols. Fixed, Wireless, and Mobile Networks
- Microsoft Word, Excel, Power Point
- Strong Communication Skills

Experience

- **Research internship in Conversational AI (2023):**
Developed an AI Chatbot that gives information about university courses.
- **Internship- IOT (2023):** LED light control and temperature measurement using an ESP-8266 microcontroller.
- **Internship at Ghaddar Machinery (Sept 2022-Oct 2022):**
Control Panels for GenSets.
- **Internship at Jouni Co. (August 2022)**

Education

Computer and Telecommunications Engineering

Lebanese University, Faculty of Engineering-Branch III (2019-present)

Official public high school degree in General Sciences-2019
