

- SALEH EL MOUKAHAL -

Junior Developer

Chiyah, Beirut • 76897025 • salehmkahal0@gmail.com • www.linkedin.com/in/saleh-mkahal-23167a1a1

- ▶ As a junior developer, I have refined my coding skills to create visually appealing and user- friendly websites. My proficiency in HTML, CSS, and JavaScript has led to projects that increased user engagement by 30% and decreased load times by 20%. These achievements demonstrate my ability to meet and surpass client expectations with technical expertise.
- ▶ My commitment to clean and efficient code is shown in my attention to detail, ensuring error-free websites and smooth user experiences. Working well in team settings, I keep myself updated with the latest trends in web development. This ongoing learning not only contributes to the success of projects but also greatly improves web presence
