## EDUCATION

---

2021-2024

**INTERNATIONAL UNIVERSITY OF BEIRUT:**

Bachelor of Science in Computer Science.

It was a very interesting period in my life where I learned many things and encouraged many difficulties, at a certain point I was depressed that I couldn't complete my degree but at the end with motivation and eagerness I finished it and it was an amazing feeling.

2007-2020

**Lycée des Arts:**

Terminal Degree in Economics and Sociology.

It was a very interesting starting period in my school life where I learned many things and succeeded in each level and faced many difficulties, I was depressed that I couldn't complete my degree but at the end with motivation and eagerness I finished it and it was an amazing feeling.
