Beirut, Lebanon | +961 81 243810 | zaynab.mamaa@gmail.com | [LinkedIn](#) | [GitHub](#)

OBJECTIVE

Proactive Computer Science Graduate eager to gain experience in a reputable organization. Seeking a position in a dynamic work environment focused on continuous improvement, career advancement, and results orientation.

SKILLS

- **Programming (and Scripting) Languages:** Python, JavaScript, PHP and SQL
- **Database Management Systems:** MySQL, SQL Server, MongoDB.
- **Frameworks and Libraries:** Node.js, Express, Bootstrap 5, NestJS, Next.js, React, Laravel
- **Tools and Cloud Services:** GitHub, Postman and Figma
- **Theory:** Complexity Analysis, Data Structures and Algorithms, Design Patterns and OOP
- **Languages:** Arabic (Native), English (Intermediate), French (Intermediate)

PROJECTS

- **WebBuild** [[GitHub](#)] Sep 2024
Developed a web application that allows users to create, manage, and deploy websites with a user-friendly drag-and-drop interface. Integrated Next.js for the frontend, NestJS for the backend, and MongoDB for data storage. Implemented a real-time preview feature and one-click deployment for seamless user experience.
- **MealMixer** Jan 2021
Managed the development of an on-demand meal delivery mobile app to provide consumers with the ease of ordering food.
Stacks: Android Studio, Java, Xml for layouts, database management for data storage and retrieval

CERTIFICATIONS

- **Full Stack Web Development Bootcamp | SE Factory** Jun 2024 – Sep 2024
Completed an intensive full-stack web development program covering front-end and back-end development, version control, cloud architecture and web application security over 8 weeks of lectures, workshops, and projects. In addition to 4 additional weeks of final project implementation
- **Foundations of Computer Science | SE Factory** Feb 2024 – Apr 2024
Completed a 9-week course focusing on fundamental computer science topics such as data structures, algorithms, Python programming, object-oriented programming, and file systems .

EDUCATION

Masters of Science in Computer Science - LIU Beirut, Lebanon	Expected date of graduation 2025
Bachelor of Science in Computer Science - LIU Beirut, Lebanon	Oct 2018 – June 2021
