## WORK EXPERIENCE

### Full-Stack Developer Intern, Megabee

Zahle, Lebanon • October 2023 — January 2024

- Actively contributed to the development of web applications utilizing ASP.NET Core 6 MVC framework.
- Proficiently utilized HTML, CSS, and JQuery to create responsive and visually appealing frontend interfaces.
- Collaborated closely with senior developers to integrate frontend components with backend functionalities.

### IT Assistant, AUST

Zahle, Lebanon • March 2023 — Present

- Assisting students and educators with account management, troubleshooting login issues, and providing guidance on utilizing university platforms effectively
- Providing personalized support to students, offering guidance on navigating digital learning tools and platforms to facilitate their academic success.

## PROJECTS

### Restaurant Management System

- Implemented secure authentication and authorization for controlled access.
- Created user-friendly interfaces for menu and table management.
- Integrated Cloudinary API for seamless image management.
- Designed reservation system for customer convenience.
- Demonstrated proficiency in full-stack development and API integration.

### Movie Recommendation System

- Leveraged scikit-learn for machine learning algorithms and content-based filtering.
- Utilized pandas and numpy for data manipulation and preprocessing.
- Developed a recommendation engine to suggest movies based on movie content.
- Demonstrated proficiency in machine learning, data analysis, and recommendation systems development.

## SKILLS

HTML, CSS, JQuery, C#, SQL, ASP.NET CORE, Python (Libraries: Pandas, Numpy, Matplotlib, Sickit-Learn)

## TOOLS

Visual Studio, VS Code, SQL Server, Jupyter Notebook

## EDUCATION

### American University of Science and Technology

Zahle, Lebanon • 2021 — 2024

B.S in Computer Science  
GPA: 3.65/4.0
