

Baraa Othman

Profile

I am a computer science student at the University of Balamand, currently in my second year. My goal is to become a highly skilled programmer and eventually create my own programming language.

Languages and Tools

- Java
- Css
- Html
- C++
- Python
- C
- JavaScript
- Bootstrap
- MySQL
- MongoDB
- GitHub

Skills

Networking

Proficient in networking, implementing solutions for seamless communication and connectivity.

DataBases

I am skilled in data structures, optimizing program efficiency through effective algorithm implementation.

Object Oriented Programming

I am adept at object-oriented programming, creating efficient and modular code with encapsulation and inheritance.

Operating System

I proficiently work with operating systems, managing processes and resources to ensure optimal system performance.

And Data Structures.
