## EXPERIENCE

**Al-Kindi Academy, Mansourieh, Lebanon**

Jan 2023- May 2023

**Tutor**

- Developed customized tutoring plans for 30 students, resulting in an average improvement of 20% in Arabic, English, Math, Chemistry and Biology grades.
- Revamped content and implemented a reward-based system to motivate students and track progress.
- Collaborated with parents to identify individual student needs and provide timely feedback on progress.

**Georgetown Qatar, (Remote)**

Feb 2021 – Aug 2022

**Research Assistant**

- Collaborated with PhD professor Abdulrahman Mahmoud Chamseddine (GUQ professor) to edit, translate, and write various books and research papers.
- Assisted in managing data for multiple research projects, ensuring accuracy and efficiency in data collection and analysis.
- Contributed to the publication of 3 books by conducting extensive literature reviews, synthesizing information, and drafting chapters under tight deadlines.

**Research Science Institute, collaborating with CEE and MIT**

June 2021 – Aug 2021

**Remote Research Student 2021 program**

- Collaborated with a team of 10 researchers to conduct an in-depth analysis on the effects of non-lethal antibiotic concentrations on bacteria physiology, resulting in groundbreaking findings that were published in a leading scientific journal.
- Selected as one of the 82 Research Science Institute (RSI) students out of a highly competitive pool of applicants based on academic excellence and research potential.
- Participated in lectures delivered by Nobel laureates and esteemed professors from top universities such as MIT, Harvard, Princeton, Yale, and Stanford.
