PROJECTS

- **Blockchain-Based Medical System (FYP)** 2025
Designed, developed, and maintained a robust database management system to streamline data storage and retrieval processes for operational efficiency. Leveraged expertise in backend development to implement secure and scalable solutions tailored to specific project requirements.
- **Valkyrie - Sportswear Brand Founder** 2024 – Present
Founded and built Valkyrie, a premium sportswear brand in Lebanon, focusing on high-performance athletic apparel inspired by Norse mythology. Designed and developed the brand's identity, website, and product lineup, ensuring top-quality materials and sustainable packaging. Managed marketing strategies, supplier relationships, and customer engagement to establish Valkyrie as a growing name in the fitness industry.
