

FULL STACK WEB DEVELOPER

Experienced Frontend Developer with a 2-year track record creating responsive, user-friendly web applications. Expert in modern frameworks, adept at translating designs into intuitive interfaces, and collaborating for high-quality results.

EXPERIENCE

WEB DEVELOPMENT AND PROBLEM-SOLVING (2 YEARS - 2022-2023)

In my role at Brainkets Startup, I contributed to the company's success through my proficiency in web development. I handled end-to-end development of web applications, specializing in frontend technologies such as React.js and backend frameworks like Yii2. Beyond the typical development tasks, I adeptly managed various APIs, ensuring seamless integration and functionality.

ADAPTIVE DEVELOPER AND MAINTENANCE

At Brainkets Startup, excelled in dynamically managing and maintaining projects for continuous success. My role extended to sustained support and improvement of vital applications, including [premium.menumind.net](#), [propackstore.org](#), [web.brinkets.com](#) and [hbc-group.org](#).
