WORK EXPERIENCE:

Front-End Freelancer: 2022-present

Worked for a full year in freelancing websites and refurbishing old code, I used basic HTML, CSS and JS coding to create innovative, eye-pleasing, scalable, and user friendly websites. I haven't been able to fully focus on this project for the reasons of continuing my studies at NDU and online (self-taught) however, I was able to successfully complete the tasks I've been handled with by my employers.

IT administrator: 2022-present

Completed 1 year in the position of an IT administrator at Haret Al Nehme public school for Syrian refugees where I mastered the Systems and Hardware at hand. In addition to being able to successfully work with a staff of over 40 teachers. I made myself reliable to my employer (principal) by always finishing the tasks required by multitasking and good scheduling schemes.

Camp counselor:

2017-2020

Counseled as a summer camp leader at Camp de la culture, Al Shouf, Lebanon. Gained multiple communication skills and a problem solving mindset. Managing time and event scheduling. I was part of many successes to the institution.
