ALI Shehab

Mechanical Engineer

I'm a driven and curious second-year mechanical engineering student with a thirst for knowledge. While I've got a solid foundation in core concepts like mechanics and CAD software, I'm constantly on the lookout for new ways to expand my skillset. I'm particularly interested in 3D printing • and eager to learn from experienced professionals in the field. I'm a fast learner who thrives in collaborative environments, and I believe my enthusiasm and dedication will make me a valuable asset to any team.
