## WORK EXPERIENCE

**IBC Consult (Finastra Sister Company), Technical Consultant**

Mar 2024 – Present

- Conducted technical assessments and provided recommendations to optimize client banking systems
- Collaborated with cross-functional teams to implement software solutions tailored to client needs using Java, Xml, Xsl, SQL, AngularJS, and Tomcat
- Led the successful deployment of Fusion Corporate Channel, resulting in increased efficiency and reduction of client costs

**PricewaterhouseCoopers (PwC), Risk Assurance Intern**

Jul 2023 – Sep 2023

- Developed a Business Continuity policy for a Ministry of Municipality in the GCC and presented to senior leadership
- Conducted risk assessments and collaborated with colleagues on the constant improvement of existing analysis procedures
- Benchmarked and analyzed industry-standard practices to determine the most suitable controls for clients
- Switched priorities and handled multiple tasks when working with two separate engagement teams
- Analyzed internal controls, policies, and procedures to ensure compliance with industry standards

**Integrated Digital Systems (IDS), Web Development Intern**

May 2022 – Aug 2022

- Leveraged my expertise in database design and utilized MSSQL to architect and implement a comprehensive intern portal website database, effectively organizing and managing the detailed profiles of over 150 interns
- Utilized my strong technical expertise to develop a highly secure backend using the ASP.NET Core framework and C#, ensuring robust functionality and data protection

## EXTRACURRICULARS AND LEADERSHIP

**AUB Outdoors, Team Leader**

Jan 2023 – Jun 2023

- Led financial management and accounting functions for the largest student-led event in the Middle East, optimizing budgeting processes and streamlining vendor payments to ensure accurate financial tracking and reporting
- Collaborated closely with the sponsorship team to successfully secure a budget exceeding \$100,000 for the festival, demonstrating strong financial acumen and exceptional teamwork
- Demonstrated exceptional leadership by overseeing a high-performing team of 45+ members, resulting in a remarkable 12% increase in total revenue compared to previous years, generating approximately \$130,000 in revenues

**180 Degrees Consulting, Team Leader & Coordinator**

Jan 2023 – May 2023

- Conducted extensive primary research on a national NGO to develop a comprehensive fundraising strategy based on thorough analysis
- Analyzed and evaluated various strategies, such as crowdfunding, volunteering programs, and brand image enhancement, to overcome encountered obstacles and drive the NGO's success
- Assessed financial statements and effectively communicated findings to senior management, enabling informed decision-making and strategic planning
- Conducted a comprehensive benchmarking exercise for more than 10 NGOs in the region, studying their fundraising and marketing strategies, thereby identifying a brand image weakness within LAL
