

Sally Fakhreddine

Junior Software Engineer

EDUCATION

Lebanese American University — BS in Computer Science

2021 – 2024

- 1 2xLebanese Collegiate Programming Contest (LCPC)
Participant

EXPERIENCE

PHP Full-Stack Developer at Integrated Digital Systems (IDS) - Internship

JUNE 2023– AUGUST 2023

Developed a fully responsive internship program website mainly using PHP, HTML, CSS, SQL, and JavaScript

PROJECTS

Bridge – A Cross-Platform File Sharing Application

An application that enables direct file sharing between macOS and Windows using socket programming in Python, incorporating a NoSQL database (MongoDB), and encryption for security

Live Radio— Computer Networks Project

Developed a live-streaming app that combines the power of client-server architecture with the vast musical library of YouTube to create a dynamic and communal listening experience

CS Club Website –Web Development Project

Built a website that allows users to view & register for CS Club events, in addition to other features, using PHP, JavaScript, HTML, CSS, and SQL

A Database Design For an Amusement Park

The project comprised four phases: design & description, mapping, SQL queries, and normalization forms.
