

OUSSAMA KASS

24 FEBRUARY 2002

Tripoli, Lebanon 
+961 79 154 673 
Oussamakass70@gmail.com 

OBJECTIVE

Resolute computer science graduate with a solid foundation in programming, software development, and problem-solving, seeking an entry-level position where I can apply my technical skills, contribute to innovative projects, and continuously learn and grow in a dynamic and collaborative environment.

EXPERIENCE

Cashier | Tripoli library

2020 – 2022

Developed strong customer service skills and cash handling experience, dedicated to supplying efficient and friendly service in a fast-paced retail environment.

Freelance electricity maintenance specialist

2018 – NOW

Offering ability in the upkeep and repair of electrical systems and equipment on a freelance basis.

Scout Member | kalamoun Scouts

2014 – NOW

Honed outdoor survival skills, proved leadership abilities, and displayed strong teamwork through active participation in various community service projects. Collaborated effectively within a scout team to find, assess, and supply essential support and resources to individuals and communities in need, contributing to meaningful solutions for social issues.

EDUCATION

BS Computer Science | Lebanese University

2019-2022

Developed the knowledge and skills to excel in software development, programming, and various IT roles.

High school diploma | Al Manar High School

2018-2019

General sciences Lebanese baccalaureate.

CERTIFICATES AND TRAININGS

Basic life support | Emergency and Relief Corps – ERC

2022

Completed comprehensive BLS course, gaining ability in critical life-saving techniques such as CPR and defibrillation, to confidently respond to medical emergencies and supply immediate help in crisis situations.
