Dekwaneh, Lebanon

EDUCATIONAL BACKGROUND

- **BE in Computer and Communication Engineering, Multimedia and Networks Option**, Antonine University, Baabda, expected to graduate in 2026.
- **Lebanese Baccalaureate – General Sciences**, College ND du Mont Carmel, Fanar, 2020.

WORK EXPERIENCE

Serious 2D games developer

UpscaleHub | Sep 2024 – Present

Creating interactive interfaces using Articulate Storyline, which gets integrated with a Learning Management System later on, where users can learn efficiently and check their knowledge through games and quizzes.

Frontend developer – Internship

InMobiles | Jun 2024 – Aug 2024

- Developed the interface of an Employee Management website.
- Developed a Chatbot / FAQ window where users ask questions and get answers in the form of chat.
- Used HTML, CSS, JavaScript and C# for the APIs connection with the backend.

Assistant event planner

Diffa group | Jul 2022 – Oct 2023

Held responsibility and took an active role in event coordination and preparation, meticulously ensuring that every detail is seamlessly organized and executed, in Lebanon and abroad.

Team leader

Diffa group | Dec 2021 – Oct 2023

Assigned tasks effectively among team members in several events and maintained consistent follow-up with the event organizer to ensure smooth progress and coordination.
