### EXPERIENCE

**E-COMMERCE PRIVATE LABEL BUSINESS**  
**CO-OWNER AND MANAGER**

2023 - PRESENT

My experience in e-commerce private label has been an invaluable journey of growth and learning. Through managing various aspects of the business, I have honed my skills in supplier negotiation, influencer engagement, digital content creation, and financial management. Each challenge presented an opportunity to develop new competencies and refine existing ones, ultimately contributing to a comprehensive understanding of the e-commerce landscape.

#### Abilities learned:

- **Content Creation:** Proficient in filming and editing photos and videos for impactful online marketing.
- **Financial Management:** Adept at managing budgets, overseeing pricing strategies, and performing sales analysis to enhance financial health.
- **Digital Marketing:** Utilized various digital marketing tools and e-commerce platforms to maximize business growth and profitability.

**CRYPTO/FOREX TRADING**

2023 - PRESENT

- Experienced in cryptocurrency trading, navigating volatile markets to execute successful trades.
- Proficient in technical analysis and charting to identify market trends and trading opportunities.
- Skilled in risk management strategies to protect investments and maximize returns.
- Utilized market analysis to inform trading decisions, optimizing portfolio performance and capitalizing on market opportunities.
