SUMMARY

A dedicated third-year Management Information Systems (MIS) student with a solid foundation in information systems and data analysis. Currently seeking opportunities to gain practical experience and expand my academic knowledge as I advance in my field during my final year.

EDUCATION

BS in BC-Management Information Systems, NDU-NLC, NECHE accredited.   **Sep 2022 - Present**
- Expected to graduate in 2025 │ GPA : 3.82

High School Amioun.   **June 2022**
- Baccalaureate degree in Life Sciences.

ACADEMIC PROJECTS

'M's Glam Guide'   **April 2024**
- Created "M's Glam Guide" app enabling makeup enthusiasts to explore various looks and tutorial videos, book personalized sessions, and appointments.
- Designed a comprehensive database schema comprising tables for users, makeup looks, products, tutorials, bookings, and more, ensuring data integrity using necessary constraints.
- Implemented SQL procedures, triggers, and functions to enhance user experience and manage data effectively.

'Airbnb'   **Dec 2023**
- Developed a Property Management and Booking System after the Airbnb platform for property owners and renters to efficiently manage properties, bookings, payments, and addressing customer issues.
- Implemented a UML-based system with a variety of classes to ensure effective property management and booking processes.
- Utilized Use Cases, Classes, System Sequences, Activities, States, and Data Flow diagrams to illustrate system functionalities and interactions.

TECHNICAL SKILLS

- Database: SQL & PL/SQL - *Intermediate proficiency*
- Software Engineering: *Intermediate* - conceptualizing and designing software solutions
- BI: *Familiar* in big data, data mining processes, Power BI, and data warehousing concepts
- AI: *Familiar* with intelligent agents, environments, machine learning concepts, and algorithms
- Python - Data Visualization: *Basic* knowledge and understanding of fundamental concepts
- Web Dev & Design: *Fundamental* - HTML, CSS, JavaScript

LANGUAGES

- Arabic - Native
- English - Fluent
- French - Basic
