Mahmoud Naserddine

Web Developer

+961 81 879 809 | mahmoudnaserddine81@gmail.com | LinkedIn | GitHub | Beirut, Lebanon

Summary

Passionate and detail-oriented Web and Mobile Developer with hands-on experience in creating secure and responsive applications. Proficient in both front-end and back-end technologies, with a strong foundation in database management and version control.

Professional Experience

Web Developer Intern | InfiniteRealm   September 2023 – January 2024
- Developed a gym management website from scratch using HTML, CSS, JavaScript, Bootstrap, and PHP.
- Integrated phpMyAdmin for managing the database, handling client subscriptions, sign-ups, logins, session bookings, trainer availability, and equipment.
- Ensured the website was fully secured and responsive for all devices.

Mobile Developer Intern | InfiniteRealm   September 2023 – November 2023
- Created a mobile application for an education institute using Android Studio (Java) and Firebase for the database.
- Developed features for login, sign-up, courses, instructor and student portals, ensuring full functionality.
- Learned to use GitHub for version control and ensured the application was fully secured and responsive.
