

# Khaled ALHILAL

## Full Stack Web Developer

A hardworking and passionate full stack web developer, always looking forward to learning new skills and technologies. Eager and enthusiast to prove my abilities by accepting challenges and seeking creative solutions. Fast learner and eager to solve any problem that could be encountered. Learning keeps me alive.

## Experience

### October 2023 – December 2023

Violet Pro | Lebanon

- Collaborated with cross-functional teams to create visually captivating and responsive web interfaces.
- Proficiently executed UI designs using Bootstrap, JavaScript and CSS for optimal user interaction.
- Stack used (Bootstrap, JavaScript, JQuery, Ajax, MySQL, OOP – PHP)
