

## Reina Jaber

### Profile:

✓ A creative, energetic, positive, and passionate senior student aiming high and dreaming big for a bright future while working on developing both my personal and professional growth to face the real world with confidence, enthusiasm and to be part of transforming this shared planet into a better place

### Skills:

✓ Time management , problem solving, team work spirit, collaboration, positive communication and lifelong learning skills.

### General Information:

✓ **Nationality:** Lebanese/ American  
✓ **Date Of Birth:** 09/21/2005

### Education:

✓ **Beirut Baptist School:** From preschool to 10th grade  
✓ **Martin County High School:** From 11th grade to 12th grade  
✓ **Indian River State College:** Dual enrollment throughout 11th and 12th Grade

### Personal and Professional Experience:

#### ✓ **Domino's Pizza-Stuart, FL-Insider-2021**

This environment urged us to greet customers with a smile, collect payments, and work while meeting new people everyday. By maintaining an organized productive atmosphere and meeting the Domino's Pizza guidelines, I was able to make consistent products

Address:1271 SE  
Parkview PL, Apt H1,  
Stuart, FL, 34994

on a daily basis.

**✓ Chick-Fil-A- Stuart, FL- Team Member- 2022**

As a Front of the House member, I welcomed guests with a great attitude, took care and prepared their orders in a fast and attentive manner. This experience was a great delight; I was able to make great life-long friends as well as learn practical skills for the long run.

**✓ Babysitting- Stuart, FL, Part-timer, 2022**

Babysitting was the most critical yet enjoyable experience yet. By ensuring a safe environment for the kids, they felt loved and taken care of all of the time. I would prepare and give them meals, bathe them, put them to sleep...etc.

**✓ Hoops Summer Camp- Beirut, Lebanon- Camp Staff- 2019**

As a first job, I was able to adopt great work ethics, learn how to deal with co-workers, plan arts and crafts, exercise activities, and enforce camp rules to ensure safety in our facility.

**✓ Modern United Nations(MUN)-Beirut, Lebanon-Delegate-2019/2020**

A delegate in a Model United Nations conference is a participant who represents a country other than their country of origin and deliberates on issues from the country's perspective. Before COVID-19 hit, I was really able to build my confidence, self-esteem, and public speaking skills.

**✓ Digital Art Certification-Stuart, FL, Student-2021**

By demonstrating mastery of core creative media skills, I was able to design entry-level art.

**✓ School and Family International Trips-2010 to 2022**

Out of all the times that I have traveled with family and friends, there were two specific trips that helped shape my character the most. As highschoolers, my friends and I traveled along with two teachers to Rome and Greece on a parent-free trip. This was a freeing, character-building, and an experience that will forever stand

out. I was able to manage my time, travel solo, learn about cultures worldwide in places like Turkey, Germany, United Kingdom, Greece, Italy, United Arab Emirates, France, and my home country, Lebanon.

#### ✓ **Volunteering**

Out of the many duties that I participated in during my high school career, volunteering at the library gave me the most exposure and allowed me to balance my time on a higher standard. I was given the opportunities to participate in library events, shelve books and holds, donate for those in need, and mainly contribute to my society.

#### ✓ **Blood Donations**

Donating blood is a simple yet heartwarming experience that has always meant and felt very fulfilling. It is now a part of my day to day life and schedule. Not only does it make me feel good, but it also saves lives and families in need as well.

#### **Languages:**

- ✓ **Arabic**-Native Language
- ✓ **English**-Excellent
- ✓ **French**-Very good
- ✓ **Spanish**-Beginner learner
- ✓ **Chinese**-Beginner Learner

#### **Computer Skills:**

- ✓ **Microsoft**: Word, Excel, Powerpoint, Teams..etc.
- ✓ **Google Apps**: Google Classroom, Drive, Sheets, Docs..etc.
- ✓ **Research**: Great research skills that allow me to discover new ideas, topics, and collect data.
- ✓ **Photoshop**: Digital Art classes introduced me to Photoshop editing, digital painting, sketching and layouts.
- ✓ **Computer Science Software-Java**: Beginner Java learner. I'm able to identify basic skills, run codes, and develop Java language.
