## OVERVIEW

Innovative professional with education program and UX/UI design experience. Passionate about enhancing learning and driving social impact. Skilled in planning, problem-solving, and leading initiatives. Multilingual, certified, and committed to growth.

## PROJECTS

### Fashion Cycler - UX/UI Designer

Oct 2022 - Nov 2022

The fashion cycler comes from the idea that we all have a lot of clothes that we won't wear and won't use which becomes a pain for us and a pain to the environment if we threw them away.

Understand what is sustainability and how we can help people achieve it in fashion.

To build an online platform that eases users' pain points and helps them practice sustainable decisions smoothly.

## SKILLS
