

ADAM NEHME

Computer Science Student

Date of Birth: 10/11/2002 Unmarried

Rayfoun, Lebanon adamnehme02@gmail.com +961 (76) 947956

An initiative-taking and hardworking university student completing a degree in computer science. Seeking an internship to implement my skills and knowledge in a professional setting. My passion for technology and problem-solving drives me to excel in every project I undertake.

Professional Experience

Intern

Jun 2023 – Sep 2023

ACI – International

- Under the guidance of experienced programmers, I acquired proficiency in the Delphi programming language.
- Additionally, I learned how to integrate Delphi with MySQL databases for seamless data management and manipulation.

Intern

Dec 2018 – May 2019

Pharma Sun Drugstore

- Gained practical experience in data management and project coordination.
- Worked under the supervision of experienced professionals and contributed to various projects, including data analysis, report generation, and project documentation.

Educational History

Bachelor of Science in Computer Science

Sep 2020 – Jul 2024

Institut National de la Communication et de l'Informatique (INCI), Saint-Joseph University

- Pursuing a comprehensive curriculum in computer science, including courses in programming languages, algorithms, software engineering, and database management.
- Participating in various extracurricular activities, including coding competitions, hackathons, and technology conferences, to enhance my technical skills and knowledge.
- Demonstrating a strong commitment to academic excellence.

High School Diploma

Sep 2005 – Jul 2020

Lycée Franco Libanais Habbouch-Nabatieh

- Completed a rigorous academic program, including courses in mathematics, physics, chemistry, and computer science.
- Demonstrated excellent academic performance and received academic awards.

Social Experience

Volunteer

Sep 2018 – Sep 2020

Lebanese Red Cross Youth Department

- Collaborated with a team to plan and execute various events, including fundraising campaigns, food drives, and community outreach programs, to aid underprivileged individuals and collect donations.
- Demonstrated strong organizational and communication skills, and effectively managed the resources to achieve the desired outcomes.

Skills Summary

- | | |
