CHRISTIAN TANNOURY

Software Engineer | Bachelor of Computer & Communications Engineering

tannourychris@gmail.com | +961 76 572 615 | Zahle, Lebanon | linkedin.com/in/christian-tannoury-68a88b237/

PROFILE INFO

Software Engineer with a Bachelor's in Computer and Communication Engineering and 4 years of programming experience through education and self-learning. Skilled in software development, networking, and robotics, with experience in teaching and curriculum development. Adaptable, detail-oriented, and a problem solver, seeking an internship or junior role to gain hands-on experience.

TECHNICAL SKILLS

- Java / Python / Javascript / C++ / MATLAB
- Web / Mobile Development
- Database (MySQL, SQLite)
- Markup Languages (HTML, XML)
- Scripting languages (Bash, PowerShell)
- Test-Driven Development
- Version Control (Git)
- Object-Oriented Programming
- Networking & Communications
- Hardware & Robotics
- Embedded Systems & IoT

LANGUAGES

- Arabic (Native)
- English (Fluent)
- French (Intermediate)

EDUCATION

2021 – 2024

Bachelor of Computer & Communications Engineering
American University of Science & Technology
GPA: 3.7 / 4.0

CERTIFICATIONS

Oct – Jan 2025

CCNA Certifications – Introduction to Networks & Switching, Routing, and Wireless Essentials
Cisco Networking Academy
- Strong foundation in networking, IP addressing, routing, and security protocols.
- Configured, troubleshot, and optimized network devices, switches, and routers.

Jan – Mar 2024

TOT Coding & Robotics
Michel Daher Foundation, Ferzol Zahle
- Proficient in HTML, CSS, and responsive design principles.
- Skilled in JavaScript and React.js for dynamic web apps.

Jul – Oct 2023

Front-End Web Development
META
- Proficient in HTML, CSS, and responsive design principles.
- Skilled in JavaScript and React.js for dynamic web apps.

EXPERIENCE

Aug 2024 – Present

Scratch & Robotics Instructor (Saturdays Only)
Michel Daher Foundation, Ferzol Zahle
- Taught Scratch programming and VEX IQ robotics (ages 8-15).
- Developed curricula and led hands-on activities to foster creativity and problem-solving.
- Guided students in building robots and programming games.
- Delivered engaging coding sessions to inspire curiosity and innovation.

Jun – Aug 2024

INTERN - INTERNET SERVICE PROVIDER (2 Months)
ZahlaNet, Zahle Rassiyeh
- Assisted in station linking, signal optimization, and internet service setup.
- Configured routers, antennas, installed Ethernet cables, and troubleshot connectivity issues.
