ABDELRAHMAN GHOUMA

Frontend Next Js Developer

PERSONAL DETAILS

abdghouma123@gmail.com, +96171754602

PROFILE

As a recent college graduate eager to begin my career journey, I'm actively seeking an entry-level job opportunities as a frontend web developer. I have finished my 3-month internship and ready to earn more hands-on experience in this field. I have also learnt how working in companies actually works, such as: Server Control on Github, Task Navigation on Jira, and Design Navigation on Figma.
