

Kevin Abdelnour

ABOUT ME

Lebanese American University student, willing to get my BS in computer science. Passionate and hard-working individual ready to start defining my future in the best way possible. Have experience in communicating and in teamwork, currently enrolled in the logistic and event planning team of one of the university's club and was delegate of my class in my high school years. Hopefully, I will be pleased to work in a field where I can enhance my talent and skills and be part of a community that adheres to organization standards and rules.
