Education

LEBANESE UNIVERSITY

Bachelor Degree in Computer Science

Hadath

2021-2025

Experience

Miles

Remote

Wordpress Developer Intern

August 2024 – November 2024

- Developed and customized responsive WordPress websites using Elementor, enhancing user experience with HTML, CSS, and JavaScript.
- Optimized site functionality and design for mobile and cross-browser compatibility, ensuring high-quality user interfaces.
- Collaborated with team members to meet client requirements, maintaining and updating website content and design elements.

Ministry of Labor

Haret Hreik

Software Developer Intern

January 2024 – August 2024

- Collaborated within a team to develop a Document Management System for the Ministry of Labor using PHP as the backend language, incorporating software engineering methodologies for requirement gathering
- Executed the deployment onto server
- Received formal recognition from the minister of labor for exceptional efforts in developing the software

XpertBot Academy

Remote

Flutter Developer Intern

April 2024 – July 2024

- Acquired knowledge in Flutter MVC , Flutter Layouts and Dio for efficient API handling
- Collaborated with a partner using Git for version control to develop a Flutter application with Laravel as backend

Technical Skills & Projects

Programming: React.js, Node.js, ASP.NET, Spring Boot, Flutter, Git, Java, C, HTML, CSS, JavaScript, Bootstrap, TailwindCSS, PHP, MySQL, MSSQL, PostgreSQL, MongoDB

Movie Search Engine

A personalized movie search platform with secure authentication and user engagement features.

Technologies Used: Node.js, Axios, Mongoose, JWT, OAuth2, SendGrid, TMDB API, WebSocket, shadcn

- Built RESTful APIs using the MVC design pattern.
- Utilized Axios for frontend API calls and to fetch TMDB data for backend integration when necessary.
- Secured authentication with JWT and OAuth2, and integrated email verification using SendGrid.
- Improved platform performance with caching using Redis and React Query.
- Implemented WebSocket for real-time updates on live search and notifications such as new releases and user interactions.

Skills & Interests

Language: Arabic (Native), French (Intermediate), English (Fluent)

Soft Skills: Organizational skills, Teamwork, Time Management
