Phone: +96170028623

Email: hussienalloush17@gmail.com

Objective:

Dedicated and highly motivated web developer with a passion for creating visually stunning and functionally robust websites. Eager to leverage my strong foundation in front-end and back-end development, as well as my commitment to staying up-to-date with the latest web technologies, to contribute to a dynamic team and deliver exceptional web solutions.

Experience:

Web Development Intern (WordPress):

Bepro Agency - Beirut – 1 month

1. WordPress Development: Played a key role in WordPress development projects, customizing themes, plugins, and templates to create user-friendly and aesthetically pleasing websites.
2. Content Management: Managed and updated website content, ensuring that it remained current and engaging for users.
3. SEO Implementation: Implemented on-page SEO techniques to improve website visibility and ranking on search engines, resulting in increased organic traffic.
4. Client Collaboration: Collaborated closely with clients to understand their website requirements and provided tailored solutions within the WordPress framework.
5. Troubleshooting: Demonstrated strong problem-solving skills by addressing and resolving technical issues related to WordPress websites.
6. Team Collaboration: Worked effectively as part of a team, contributing to the successful completion of WordPress projects and adhering to project timelines.
