DATA ANALYST

01551425680

Benha, Al Qalyubiyah

kareemwesam17@gmail.com | [LinkedIn](#)

Objective

To utilize my data analysis skills in extracting insights from complex datasets, building predictive models, and driving data-driven decisions. Committed to improving business strategies through actionable insights and efficient reporting. Eager to contribute to organizational success with innovative analytical solutions.

Experience

2024	IBM Data Science Digital Egypt Pioneers Initiative (DEPI) Certificate
2024	CodSoft Internship Data Science
2024	HCIA Big Data V3.5 NTI Certificate
2024	Machine Learning NTI Certificate
2024	Data Science INNOATION KGOTLA Scholarship Data Camp Certificate.

Education

2017-2021	Bachelor's degree in computers and information, Benha University Department of Scientific Computing Degree: Very Good Final Project Grade: Excellent
-----------	--

Projects

Data science	<ul style="list-style-type: none">• Deaf, Dump and Blind Communication using Machine Learning. Graduation Project.
Desktop Application	<ul style="list-style-type: none">• Doctors Expert System using Prolog. A System with Java GUI & prolog where you can find the best doctor you look for by specification.• Hotel Management System Desktop Application.• A System with C++ GUI where you can reserve rooms for visitors and their service system.

Skills

Programming	Python, Machine Learning, NumPy, Pandas, visualization, Sklearn, Power BI, Deep Learning, CNN, matplotlib, seaborn, plotly.
Database	MYSQL, Oracle, Google sheet, Excel
Front-End	HTML3, CSS, JavaScript

Personal Skills

Problem-Solving and Idea Generation

- Developed innovative solutions to streamline data collection processes, improving efficiency.

Self-Learning

- Quickly adapted to new tools like Power BI and Tableau, creating interactive dashboards for stakeholders.

Communication Skills

- Collaborated with cross-functional teams to present data-driven strategies, resulting increase in project approval rates.

Time Management and Multi-Tasking

- Managed multiple projects simultaneously, meeting 100% of deadlines without compromising quality.

Leadership Skills

- Led a team of 5 data science to complete a project two weeks ahead of schedule.

Volunteering

2021-2023	spent my military service as an electronic warfare reserve officer in the Third Field Army and in Central and South Sinai
2017-2020	Resale Charity Association, Egypt, Benha, 2017-2020 Participated in building houses and introducing water in several locations such as (Qena, Sharkia, Bahara, Banha, the tenth of Ramadan).
2017-2020	Participated in distributing meals, clothes, and blankets in Benha.
2019	Participation in organizing the Second International Conference on Commercial Computing, ICCI2019, at the Faculty of Computers and Information, Benha University
