PROFESSIONAL SUMMARY

A computer science graduate with a Bachelor of Science degree from Antonine University, with a GPA of 3.22/4.0, having experience in backend development, data collection, and coding education. Interned at Creoshift and Megabee, sharpened my skills in Laravel, Lumen, and C#, and developed APIs. As a coding educator at BrightChamps, I taught coding to over 20 students aged 7-17 using Scratch, Thunkable, and Code.org. I also tested my expertise in data collection projects for the American University of Beirut and Solidarités International. Fluent in Arabic, English, and French.
