

Mohammad Sibai

Web developer

Personal Information

Date of birth: April 13, 2002

Nationality: Lebanese

Address: Borj Al Barajne, Beirut, Lebanon

Mobile Phone: +961 81 955 293

Email: mohamadsibai21@gmail.com

Objective

As an individual deeply passionate about Computer Science, I am excited to embark on a journey of growth and skill development within this field. With a genuine love for technology and a thirst for knowledge, I am driven to expand my horizons and gain valuable experience. My eagerness to explore new challenges and contribute to the ever-evolving world of Computer Science fuels my motivation. I am dedicated to continuous personal and professional development, aiming to make a meaningful impact by leveraging my skills and pushing the boundaries of what is possible.

Education

Al Maaref University - Bachelor of Science in Computer Science (2020 - 2024)

Technical Skills
