Summary Profile

Recent Telecom Engineering graduate with strong skills in software development and application development. Eager to join the tech industry and contribute to innovative projects focused on creating and improving computer programs and applications. Looking for opportunities to apply my knowledge and passion for technology in a dynamic and forward-thinking environment.

Experience

Jan 2024 – June 2024   **Game Developer,** Markaz Studio   *Tripoli, Lebanon*

- Developed engaging and interactive games using Unreal Engine.
- Implemented AI, physics simulations, and dynamic environments to enhance gameplay
- Conducted playtesting and debugging sessions to identify and fix bugs
- Designed and optimized levels, ensuring they are visually compelling, interactive, and aligned

May 2023 – Present   **Data Entry-Secretary,** Sbat Law Firm   *Tripoli, Lebanon*

- Managed legal documents, ensuring accurate and timely data entry into the system.
- Organized and maintained physical and digital filing systems for legal documents, and case files.
- Ensured data integrity by cross-checking information, proofreading, and updating databases.

Workshops

March 2024   **Intensive Coding Bootcamp**, École 42 Piscine   *Beirut, Lebanon*

- Developed proficiency in C programming language and gained exposure to UNIX-based operating systems and command-line tools.
- Collaborated with peers in a competitive environment, working on real-time coding challenges.
- Enhanced debugging and problem-solving skills by resolving complex coding tasks

Jan 2023   **Digital Marketing**, Google Digital Workshop   *Online Workshop*

- Acquired knowledge of core digital marketing strategies, including SEO, social media marketing, email marketing, and content creation.
- Learned techniques for analyzing website traffic and optimizing online campaigns to increase engagement and conversion rates.

July 2022   **Electrical Training,** Safadi Foundation   *Tripoli, Lebanon*

- Techniques in electrical systems, including wiring, circuit design, & electrical safety procedures.
- Gained proficiency in reading and interpreting electrical schematics and blueprints

Education

Sep 2021 – June 2024   **Bachelor of Science in Communication Engineer**
Lebanese International University   *Tripoli, Lebanon*

Volunteer Activities

June 2013 – Present   **Scout Leader,** Al Muslim Scout Lebanon   *Tripoli, Lebanon*

- Organized and participated in awareness campaigns on mental health, and environmental issues.
- Coordinated relief efforts including meal distribution and provision of medical supplies.
- Leading the way for the scout members to discover their interests and showcasing their talent.
