ALAA KIBBI

Beirut, Lebanon | alaa.kibbi7@gmail.com | +961 81039325 | LinkedIn Profile

Summary

Recent Computer Science graduate with strong skills in software development, problem-solving, and programming. Proficient in HTML, CSS, JavaScript, Flutter, and SQL. Adept at working collaboratively in team environments and committed to continuous learning and improvement. Seeking an entry-level position to apply technical skills and contribute to innovative projects.

Education

- <u>Beirut Arab University</u>: Bachelor of Science in Computer Science (2021-2024), GPA: 3.37/4.00
- <u>Al Makassed Ali Bin Abi Taleb</u>: Baccalaureate in Life Sciences (2015-2020)

Experience

Senior Project: 2023-2024

- Plant Detection Application:

(Front-end Flutter Application Development)

- Developed the front-end using Flutter.
- Implemented user interface components and navigation features.
- Collaborated with team members to integrate back-end functionality.
- Demonstrated strong problem-solving and programming skills in Dart.
- Presented project outcomes to faculty and peers, showcasing its features and design.

Semantic Web Course:

2023-2024

- Hospital Management System Project:
 - Designed ontology for medical entities and relationships.
 - Developed SPARQL queries to retrieve and manipulate data.
 - Applied RDF, OWL, and Semantic Web standards.

Image Processing Course:

2022/2023

- Hand Gesture Recognition Project:
 - Applied filtering, edge detection, and feature extraction techniques.
 - Utilized OpenCV and machine learning for gesture classification.

Artificial Intelligence Course:

2022/2023

- Studied machine learning, deep learning, and neural networks.
- Explored decision trees, support vector machines, and reinforcement learning

Volunteer: 2017-2019

- Al Makassed Volunteering Community:
 - (31 hours of social volunteering)
 - Visited orphanages and elderly homes
 - Organized Ramadan festivals and collected donations
 - Organized awareness campaigns
 - Participated in summer camps

Certificates

• Flutter Mobile App Development:

March 5, 2024-March 28, 2024

- Beirut Arab University (CEC)
- <u>IC3 Digital Literacy Certification</u>:

July 3, 2023

- Key Applications IC3 GS5
- Living Online IC3 GS5
- Computing Fundamentals IC3 GS5

• Front-End Web Development with React:

May 29, 2022

- The Hong Kong University of Science and Technology
- 6th Arts and Sciences Fair:

April 5, 2019

- LAU Beirut Campus

Skills

Technical Skills:

- Programming Languages (Java, JavaScript, C++)
- Software Development
- Database Management (SQL, MySQL)
- Algorithm Design and Analysis
- Front-End Development (Flutter, React)

Soft Skills:

- Problem Solving & Logical Thinking
- Creativity
- Time Management & Attention to detail
- Communication & Teamwork
- Verbal and Written Communicator

Languages

Fluent in **English** and **Arabic**
