Profile

Currently enrolled in the rigorous software engineering program at 42 Beirut, specializing in peer-to-peer learning and project-based education. Paused my university studies to immerse myself in real-world coding projects, where I've honed strong problem-solving, critical thinking, and technical skills.

Skills

- **Soft Skills:**
  - Problem-solving and critical thinking
  - Adaptability and Continuous Learning
  - Effective Time Management
  - Leadership and Collaboration
- **Technical Skills**
  - **Front-End Development:** HTML, CSS, JS, React.js.
  - **Programming Languages:** C.
  - **Version Control:** Git, GitHub.

Education

- **Core Curriculum (In Progress)**   Beirut, Lebanon   Feb 2024 – present
  - **42 Beirut**
    - Developed technical skills in Unix, C programming, Git, and Bash scripting.
    - Emphasized problem-solving, peer-to-peer learning, collaboration, and hands-on development.
- **Bachelor's Degree in Computer Science(In Progress)**

  Jinan University,Tripoli

Projects

42 Beirut Core Curriculum Projects

  - **Libft, Push Swap, Born to be Root, So Long, Minishell, Printf,Pipex**

  Developed a custom C library (`Libft`), a stack-based sorting algorithm (`Push Swap`), and a mini Bash shell (`Minishell`). Built a 2D game (`So Long`) and implemented custom printing functions (`Printf`) and piping mechanisms (`Pipex`).

Languages

● **Arabic:** *Fluent*   **English:** *Intermediate*   **French:** *Intermediate*

Certifications

- CSS Essential Training (2019)

    - LinkedIn Learning Completed on October 8, 2024 Skills: **Cascading Style Sheets (CSS).**

- Git Essential Training

    - LinkedIn Learning Completed on November 15, 2024 Skills: **Git.**

- HTML Essential Training

    - LinkedIn Learning Completed on September 19, 2024 Skills: **HTML.**

- JavaScript Essential Training

    - LinkedIn Learning Completed on November 03, 2024 Skills: **JavaScript.**

- Learning ECMAScript 6+ (ES6+)

    - LinkedIn Learning Completed on November 12, 2024 Skills: **JavaScript , Script ECMAScript.**

- Search Techniques for Web Developers

    - LinkedIn Learning Completed on November 12, 2024: **Web Application Development , Search.**

- React.js Essential Training

    - LinkedIn Learning Completed on December 15, 2024: **React.js.**
