Location: Tripole, Mina, porsaaid.

### SUMMARY

Skilled and results-oriented Web dev with more than 4 years of experience working in a variety of environments with a breadth of programs and technologies.

### EMPLOYMENT HISTORY

- 42 Beirut Piscine

Beirut, Lebanon

August 2024 - November 2024

1. Participate in an intensive four-week coding boot camp designed to assess problem-solving skills, logical thinking, and adaptability.

2. Work on daily coding exercises and projects using C programming to build a strong foundation in algorithmic thinking.

3. Collaborate with peers in a peer-to-peer learning environment, solving challenges and debugging code without formal instructors.

4. Manage time efficiently to complete individual and group tasks within strict deadlines.

5. Develop resilience and perseverance by tackling increasingly complex coding problems each week.

6. Engage in a self-learning process using available online resources, documentation, and collaboration with fellow participants.

7. Adapt to the rigorous and competitive nature of the piscine, preparing for potential admission into the full-time program at 42 Beirut.

Tripoli, Lebanon, Dam W Farez
