 - Databases: MS SQL Server, MySQL, Oracle, SQLite, ADO.NET
 - Web Development: HTML, CSS, JSON, XML, Google Maps, Canvas, Chart Diagrams
 - Mobile Development: Xamarin.Android, Intel XDK, Hybrid Mobile Applications
 - SDKs & Libraries: OpenCV, EMGU CV, Speech SDK, Hikvision Cameras SDK
 - Operating Systems: Windows (98–11), Windows Server (2005–2018)
 - Other Tools: Visual Studio, MS Office, Dreamweaver, Adobe Photoshop, Unity, Construct 2
 - Soft Skills: Team Leadership, Problem-Solving, Strategic Thinking, Communication
-

Professional Experience

Senior Digital Developer

TedMob – Dbahé

Dates: 2/2020 – Present

- Lead the development of mobile and web applications, including FPM (Election App), Medco (Gas Stations Services App), and AUB (Water Statistics Desktop Application).
- Designed and implemented RESTful APIs for seamless integration with third-party services.
- Developed payment gateway integrations for credit card and Direct Operator Billing (DOB) systems.
- Enhanced application performance by optimizing database queries and implementing efficient algorithms.
- Collaborated with cross-functional teams to deliver high-quality solutions within tight deadlines.

Senior Digital Developer

Libancall Plus – Corniche Al Mazraa

Dates: 1/2016– 2/2020

- Developed and maintained web applications such as Prestige (Car Rental Site), Toyota Iraq (Car Service), and Dar (Plants Web Services).
- Integrated social media plugins (Facebook, Twitter, LinkedIn, Instagram) to enhance user engagement.
- Implemented SMS and email notification services for real-time communication.
- Utilized Google Maps and chart diagrams to create interactive and user-friendly interfaces.

Digital Development Team Lead

Mind Field Solutions – Badaro

Dates: 1/2010 – 1/2016

- Led a team of developers in designing and deploying custom software solutions for clients.
- Spearheaded the development of hybrid mobile applications using Intel XDK and Xamarin.
- Implemented image processing and speech recognition features using OpenCV and Speech SDK.
- Delivered projects on time and within budget, ensuring client satisfaction.

Education

Bachelor of Science in Information Technology and Computing (ITC)

Arab Open University (AOU) – Beirut, Lebanon

Graduation Date: June 2010

Certifications:

- Cisco Certified Network Associate (CCNA) – 2010
-

Technical Projects

- FPM (Election App): Developed a mobile application for election management, including voter registration and result tracking.
 - Medco (Gas Stations Services App): Created a mobile app for gas station services, integrating payment and loyalty systems.
 - AUB (Water Statistics Desktop Application): Designed a desktop application for water usage analysis and reporting.
 - Toyota Iraq (Car Service): Built a web application for car service scheduling and tracking.
-

Languages

- Arabic: Fluent (Speaking, Reading, Writing)
 - English: Proficient (Speaking, Reading, Writing)
-

Interests

- Programming, Reading, Surfing the Internet, Watching Anime Series
