## PROFILE

---

Motivated and detail-oriented aspiring app developer with a solid foundation in HTML, CSS, and JavaScript, complemented by hands-on experience in React.js.

Currently expanding my knowledge of modern frameworks and aiming to master React Native for mobile app development.

I am passionate about building user-friendly, responsive, and dynamic applications. I am looking for opportunities to apply my technical skills while further developing my expertise in front-end and mobile development.

## SKILLS

---

**Programming Languages :** C, Java, JavaScript, Python.

**Web Development :** Highly proficient in HTML, CSS, and React.js for web development.

**Databases :** Proficient in SQL, utilizing MySQL.

## Learning Experience

---

Completed hands-on projects to practice front-end development, building interactive web pages with HTML, CSS, and JavaScript.

Explored React.js through self-directed projects, enhancing knowledge of state management, hooks, and component lifecycle.

## EDUCATION

---

Bachelor of Science in Computer Science, Lebanese University - Faculty of Sciences 2022 – Expected graduation 2025
