Lebanon, Mount Lebanon Governorate

SUMMARY STATEMENT

As an ambitious Computer Science student, I am dedicated to continuously improving my academic and personal development. The following are my best skills which I believe are applicable to the position I have applied for: programming, logical and structured thinking and coding in multiple languages.

In addition to other personal skills:

- _Ability to work by myself without the need for constant supervision by employees.
 - _Ability to work harmoniously with other members of the team.
 - _Possessing great analytical and problem solving skills.
-

RELEVANT PROJECTS

Land Registration Project

The project depends on Object-Oriented Programming and understanding different Object-Oriented Structures.

Parking Management System Project

This Project was done using Data Structures and Algorithms and different types of data structures.

In addition to other projects available on my Github page.

SKILLS

Object-Oriented Programming	C Programming Language	HTML & CSS
Data Structures	C++	Self-Learning
Java	Git	Teamwork

EDUCATION & CERTIFICATIONS

Student at 42Beirut

2024 - 2025

Bachelor of Computer Science

Beirut Arab University
2022 - 2025

NVIDIA DLI Certificate - Fundamentals of Deep Learning
