

Carol Saab Shmait

Interior Designer

ABOUT ME

As an interior designer with four years of hands-on experience, I bring a blend of creativity and practicality to every project I undertake. Currently pursuing my MBA, I am dedicated to continuously enhancing my skills and understanding of both design principles and business management. I am passionate about creating spaces that harmonize aesthetics with functionality, and I am committed to delivering innovative solutions that exceed client expectations. With a steadfast dedication to professional growth, I am eager to further expand my experience and knowledge in this field, embracing new challenges and opportunities for learning and development.
