Career Objective

Dedicated second-year Computer Engineering student with experience in programming, IT, retail, and import/export. Seeking to leverage my background and skills to contribute to a dynamic team and further develop my expertise in software engineering.

Education

Bachelor of Science in Computer Engineering

Lebanese International University (LIU), Lebanon

Expected Graduation: June 2026

- Relevant Coursework: Data Structures and Algorithms, Object-Oriented Programming, Software Engineering, Operating Systems

Baccalauréat (BAC2) in Bio Sciences

Al Namuzajiya High School, Lebanon

Technical Skills

- Programming Languages: C++, Java

- IT Skills: Software application development, Robotics

- Tools: Git, Visual Studio

- Operating Systems: Windows, Linux

Restaurant Order and Sales Management Application

- Developed a Java-based application to optimize order processing ar
visualize sales data for a restaurant.

- Improved operational efficiency by 20% through features like order
tracking, sales reporting, and inventory management.

- Integrated a database for efficient customer order and sales record
management.

Student Registration Application

- Created a student registration system using C++.

- Implemented functionalities for student enrollment, course registra
and record management.

- Enhanced registration process efficiency and data retrieval accuracy
through a robust database structure.

Robotics Project

- Designed and built a robot capable of performing specific tasks.

- Programmed the robot in C++ to execute movements and respond t
sensor inputs.

- Applied principles of electronics, mechanics, and software integratic
achieve desired functionality, enhancing problem-solving and
troubleshooting skills.

Experience

Private Tutor (International & National)

- Provided tutoring for primary level students across all subjects.

- Taught Arabic as a foreign language to non-native speakers.

Online Sales Manager, Elena Services LTD (UK Based)

- Managed an eBay store with over 1000 items, achieving top-rated s
status for two years.

- Generated monthly sales exceeding $7K and maintained a 98.9%
positive feedback rating.

- Communicated with customers and the company CEO, resolved
disputes, and analyzed shipping costs to ensure customer satisfactior

languages

- Arabic: Fluent
- French: Intermediate
- English: Intermediate
