Beirut, Lebanon

Summary

| RIBA Part 1 | Accredited Architect from the Royal Institute of British Architects (RIBA) in London, UK, and a licensed architect from the Order of Engineers and Architects in Beirut, Lebanon.

An innovative architect and artist with a passion for creativity and a commitment to delivering seamless and impactful designs that align with clients' visions. With a versatile background gained through collaborations with both international and local companies, I excel in diverse roles, including freelance architecture, landscape design, and on-site supervision.

My expertise spans project management, execution and tender drawings, architectural design, and landscape architecture, ensuring every project achieves its full potential. Driven by a unique blend of technical precision and artistic flair, I strive to elevate each project with designs that are as functional as they are inspiring.

I am confident in my ability to leverage my skills and creativity to make meaningful contributions, shaping spaces that are not only practical but also visually captivating. I look forward to contributing to your mission in architecture, landscape design, and beyond.
