ABOUT ME

I am a passionate graduate with a Bachelor degree pursuing a Master's degree in electrical engineering and eager to contribute in Electrical Installation, Renewable Energy, Automation, Industrial systems and other fields.

EDUCATION

University of Balamand | Master of Science in Electrical Engineering Expected May 2026

University of Balamand | Bachelor of Science in Electrical Engineering May 2024

- GPA: 3.5/4.0
- Dean's Honor List

College Notre Dame Du Balamand | Lebanese Baccalaureate in General Science 2007- June 2021

EXPERIENCE

Research Assistant at University of Balamand January 2025 -

Internship at IPT Powertech group September 2024 - December 2024

- Phase 1: drafting AutoCAD sketches
- Phase 2: conducting site evaluation for solar panel installations, Assessing optimal placement and efficiency based on site-specific conditions

Assistant at UOB faculty of Engineering September 2023 - December 2023

- Assistant in electronics course

LAB Assistant at UOB faculty of Engineering September 2023 - December 2023

- Assistant in electrical instrumentation lab

EXTRA-CURRICULAR ACTIVITIES

Formula Student – Team Leader Spring 2023 - Spring 2025

- Electrical Team

Volunteer at University of Balamand Vaccination Centre June 2021 - February 2022

IEEE Member

SKILLS

Languages: Native proficiency in Arabic; Full Professional Proficiency in English and French.

Technical skills: AutoCAD, CAD, Dialux, SPSS, Microsoft Office, Programming languages (C++, C, python), Siemens PLC, Proteus, Multisim.
