C++, C#, SQL, HTML, CSS, JavaScript, Responsive web design, Browser Developer Tools, Accessibility, Web Standards and Best Practices, React.js, Bootstrap, Material UI, jQuery, Node.js, Express.js, Database Management (e.g., MongoDB, MySQL), RESTful APIs, Authentication and Authorization, integrating front-end and back-end technologies, Deployment and hosting, Building Full-Stack Web Applications, Performance Optimization.

Work Experience

Ciment De Sibline, Lebanon

Jun. 2024 – Sep.2024

IT Intern

- Provided technical support to end-users, resolving hardware and software issues through troubleshooting and problem-solving techniques.
- Network overview (HP switches – SonicWALL Next Generation Firewall).
- Coop E-Commerce software implementation and testing phase.
- Created and updated documentation for IT processes and user guides to streamline support operations.

Trainings

4Finance

Sep.2024 – Present

Full stack – Web development

- Completed a comprehensive workshop on Full Stack Web Development, gaining hands-on experience in building both front-end and back-end applications.
- Demonstrated front-end proficiency by utilizing HTML, CSS, JavaScript, TailwindCSS, and React frameworks across more than 30 projects.
- Provided robust backend solutions through the implementation of Node.js, Express.js, MongoDB, and SQL in over 20 applications.

Update Academy, Lebanon
Web Development - Bootcamp

Nov.2022 – Mar.2023

- Developed proficiency in front-end technologies including HTML, CSS, and JavaScript to create responsive interactive web applications.
- Gained hands-on experience with back-end development using Node.js and Express, focusing on API creation and integration.
- Utilized version control systems such as Git and GitHub for collaborative projects, along with JSON for data interchange and Bootstrap for responsive design.

Certifications

- | | |
|--|-------------|
| • React - The Complete Guide, Udemy | 2023 |
| • NDG Linux Essentials, Cisco | 2023 |
| • NDG Linux Unhatched, Cisco | 2023 |
| • NLP Training, AL Khawarizmi Institute's Team | 2022 |

Education

Bachelor Degree in Computer Science
Notre Dame University-Louaize, Lebanon

Feb.2021 – Dec.2024
